For

UNION PRESIDENT?

Hi! I'm Lauren, and I'm running to be your next Union President. Why? Because **STUDENTS DESERVE MORE** from their Students Union, and that comes from someone with a **FULL STUDENT EXPERIENCE** to replicate that for all! I study Event and Experience Management in Medway, and it's **MEDWAY'S TIME** to shine!

1. CLOSE THE LOOP

Kent needs to shout about wins- large or small, and credit the amazing volunteers that make it happen. We need to keep students updated and say where their feedback goes.

2. BREAK DOWN BARRIERS TO FIND YOUR PEOPLE

Let's make it easier to empower students with a user focused union- creating communities that incorporate student run groups and the new networks, a simpler way to find your people.

3. MAKE IT CLEAR IN MEDWAY

Are Medway students more GKU or KU members? I believe GK Unions needs to be rebranded as a hub for activity and information, rather than replacing the Home Unions.

4. BUILD MOBILITY

The Campus Shuttle has already greatly improved - however, there is a need for a service during University breaks to ensure postgrads can still access resources.

5. KEEP IT RELEVANT

We're here to do a degree- let's emphasise employability and introduce academic volunteering schemes across both campuses so students have **REAL WORLD EXPERIENCE** before graduation.

6. ACTIVITY DROP INS

Ever wanted to try something new, but not wanted to commit to joining a team or society? I would introduce drop in sessions to improve student variety and wellbeing.
